Dear Friends,

Welcome to Activ Group [www.activgroup.pl](http://www.activgroup.pl) which brings together three separate companies operating in three different industry areas:

**SHIPBUILDING SECTOR** - Activ Marine Interior [www.activship.com](http://www.activship.com)

*The whole year through.....*

Activ offers a wide range of repair works, modifications or conversions, which can be performed on any type of vessel moored at a harbour/shipyard or (subject to conditions) onboard a vessel during short range sails between nearest harbours. Activ works in close cooperation with a professional design office, which allows considerable flexibility in terms of adapting the existing technical documentation or concept design to workshop standards. We offer solutions for marine interior outfitting concepts including:

- wall/ceiling insulation incl. fixing of pins
- wall and ceiling panels - delivery and assembly
- floor panels/deck covering of the outer deck surfaces with teak and iroko wood
- delivery and assembly of sanitary blocks including systems connections
- delivery and assembly of light metal furniture
- covering the outer surfaces with wooden floors (teak, iroko)
- production of marine furniture production and its assembly on board
- electrical (incl. lighting), water and sanitary system installation in outfitting works areas
- HVAC system in outfitting works areas - assembly
- maintenance and painting works with reference to renovated and newly-constructed ships:
- abrasive blast cleaning up to class 2,5
- thermal spraying
- painting
- insulation works with the use of polyurethane foam
- works consisting of placing machinery and equipment on chemically hardened backings

*Your interior is our mission.....*

Company specialises in manufacture of furniture using a wide range of materials: solid wood, plywood, chipboard, MDF, Corian, stone, glass, veneer, laminates, and other. We invest in newest machines and technologies which help us making your desired furniture in best quality. Our offer can be performed in hotel facilities, private objects, shops, offices and on boards of any seagoing ships and much more. We present few examples what we could offer:

- Offer are adjusted to needs of all customers
- execution of individual orders
- a comprehensive offer for designers, architects, furniture companies
- own furniture factory with modern machine park
- furniture production based on the standard directory of furniture
- supply and installation of furniture
- modernisation, renovation and repair furniture

## YACHT SECTOR - Activ Yachts [www.activyachts.com](http://www.activyachts.com)

*A new world of virtuosity...*

Activ Yachts shipyard is the newest yacht production facility, capable of delivering boats to new owners worldwide. All our yachts are produced with passion and high qualified personnel, which enables wider customisation of individual yachts and more flexible ownership options. If you'd like to cruise around the lake with family and friends, or sail over the horizon to distant shores, we have boat for you. Our company offer:

- building modern yachts
- we meet the sophisticated needs of our customers
- renovation and modernise of yachts
- and much more

Our main headquarters is located in Pszczółki, about 25 kilometres from the Gdańsk. Currently the company employs nearly 200 employees in two locations - main factory in Pszczółki and in production department, shipyard area in Gdańsk.
